NOTICE IS HEREBY GIVEN TO THE MEMBERS OF VISION RESEARCH FOUNDATION THAT THE 31ST ANNUAL GENERAL MEETING OF VISION RESEARCH FOUNDATION WILL BE HELD ON, FRIDAY, THE 25TH SEPTEMBER 2015 AT 3.00 P.M. AT THE VRF BOARD ROOM IN THE 2ND FLOOR OF KAMALNAYAN BAJAJ RESEARCH CENTRE, VISION RESEARCH FOUNDATION, NO.41/18, COLLEGE ROAD, CHENNAI – 600 006. THE AGENDA FOR THE MEETING IS GIVEN BELOW:

AGENDA

2. To consider and adopt the Audited Income and Expenditure Account for the year ended March 31, 2015 and the Balance Sheet as at that date together with the Report of the Auditors thereon.

3. To appoint statutory auditors for the financial year 2015–16 and to fix their remuneration.

4. To appoint the following Members to the Board of Management in the vacancies caused by their retirement, who are eligible for re-appointment.

Kindly make it convenient to attend the meeting.

DR TARUN SHARMA
HONY. SECRETARY

Note:
Explanatory statement for Item 4 of the Agenda is attached.

Explanatory Statement

Refer Item No 4 of the Agenda

The following members were appointed to the Board of Management for a period of three years at the 28th Annual General Meeting held on 27th September 2012:

**Name**
Mr. R S Falor
Mr. Homi C H Bhabha

Their term of appointment expires at the end of the Annual General Meeting on 25.09.2015. As per 16(xiv) of the Bye-laws of the Foundation read with Section 15 (5) of the Tamil Nadu Societies Registration Act 1975, they are eligible for reappointment to the Board of Management.
VISION RESEARCH FOUNDATION

BOARD OF MANAGEMENT

Dr. Lingam Gopal  President
Dr Tarun Sharma  Honorary Secretary
Mr. R S Falor  Honorary Treasurer

Members of the Board

Dr S S Badrinath  Member
Dr S Baskaran  Member
Dr J Biswas  Member
Mr Homi C H Bhabha  Member
Dr. H N Madhavan  Member
Dr T S Surendran  Member
Dr M S Swaminathan  Member
Mr V Vaidyanathan  Member
Dr S B Vasanthi  Member
Dr L Vijaya  Member

Administrative Committee

Dr. S. S. Badrinath (Chairman of Committee)
Mr. G. Ramachandran
Mr. Sugal Chand Jain
Mr. R. S. Falor
Dr. Tarun Sharma
Dr. S. Bhaskaran
Dr. T. S. Surendran
Dr. Pramod Bhende
Dr. K. S. Vasan (and in his absence Ms. Akila)

Chief Operating Officer  Dr. K. S. Vasan
Advisor  Dr. Rama Rajaram
Director – Research  Dr. Ronnie Jacob George
Deputy Director – Research  Dr. S Krishnakumar
Senior General Manager  Mrs. Akila Ganesan
Deputy General Manager  Mrs. G Susila
Manager  Mr. S Narayan

Auditors  M/s S Viswanathan
Chartered Accountants, Chennai

Bankers  HDFC Bank, Chennai – 600 034
State Bank of India, Chennai –600 034
Indian Overseas Bank, Chennai – 600 006

Registered Office  New No.41, Old No.18, College Road
Chennai – 600 006

Mr. S Narayan
Dr. S Krishnakumar
It gives me great pleasure to welcome you all to this 31st Annual General Meeting of our Foundation. I am pleased to present the Thirty First Annual report of the Vision Research Foundation. The thirtieth Annual General Meeting of the Foundation was held on 29th September 2014 in which the Annual Report and the Audited Accounts of the Foundation for the financial year ended 31st March 2014 were approved by the members and M/s. S Viswanathan, Chartered Accountants, were re-appointed as Auditors for the financial year 2014-15.

I am glad to inform you that our application for renewal of Vision Research Foundation as a Scientific Institution has been approved by the Department of Scientific & Industrial Research (DSIR), New Delhi and granted recognition as a Scientific Institution for a further period of three years from 1st Apr 2015 to 31st Mar 2018.

The donations received during the year under report were Rs.791.64 lakhs as compared to Rs.642.40 lakhs in the previous year. The gross total income for the year under review was Rs.1309.96 lakhs including research grants and interest on deposits. The total expenditure before providing depreciation was Rs.855.25 lakhs resulting in a cash surplus of Rs.454.71 lakhs. After considering depreciation for the year, there was a net surplus of Rs.186.72 lakhs, which was carried over to the capital fund account.

It was decided to condemn the equipments purchased prior to March 2010, which were technologically obsolete during the financial year ended 31st March 2015. The book value of the condemned assets as on 31st March 2015 was Rs.95.54 lakhs. The foundation received a sum of Rs.41.93 lakhs on sale of the condemned assets and net loss on condemned assets, after adjusting Rs.41.93 lakhs was Rs.53.61 lakhs.

Summary of Source and applications are as follows:
The foundation has received a sum of Rs.434.78 lakhs as research grants during the year under review as per the details given below:

Research Activities:

Research activities during the financial year were satisfying and encouraging. A large number of projects were submitted to the Department of Science and Technology, Department of Bio-Technology, Council of Scientific and Industrial Research and Indian Council of Medical Research.

The projects which were under consideration by these Govt. agencies as on date are as under:

Conclusion:

I would like to take this opportunity to place on record my gratitude for all the guidance extended to me by Dr. Lingam Gopal, President; Mr. R S Falor, Hon. Treasurer; Emeritus Dr S S Badrinath, President & Chairman, Medical Research Foundation; Dr. Kris S. Vasan, Chief Operating Officer, Dr. Ronnie Jacob George, Director of Research and Dr. S Krishnakumar, Deputy Director of Research.

I would also like to place on record the resignation of the then President, Mr. R Rajagopal in December 2014 and his invaluable support to the foundation by way of donations, supporting various projects of the Foundation.

Dr. Lingam Gopal was then elected as the President of the Foundation in December 2014.

I would like to mention that the achievements and awards received by the scientists, details of completed projects and ongoing projects, conferences attended and the articles published in the national and international journals are given separately.

My thanks are also due to the Auditors, M/s. S Viswanathan particularly to their partner Mr. Chella K Srinivasan for their active and invaluable support and our Bankers, HDFC Bank and State Bank of India for their support and co-operation.

I also thank the Internal Auditors, M/s. Sundar, Ranganath & Srinivasan, Chartered Accountants, for their active support in conducting internal audit of the Foundation.

Mr. S Narayan, Manager, played an active role in managing the finance and administrative activities of the Foundation. I thank him for his help and assistance. I also wish to thank Mr. N Sivakumar for his support, especially in completing the income tax assessment of the foundation up to the financial year ended 31st March 2012.

The Board of Management place on record their appreciation of the invaluable contribution made by the Research Scientists, Consultants, para-medics and other employees to the continued success of the institution.

Dr Tarun Sharma, MD, FRCSEd, MBA
Hony. Secretary
Vision Research Foundation
Dr S S Badrinath and Dr Vasanthi Badrinath were felicitated at the meeting of the Advanced Vitreo Retinal Techniques and Technology 2014 (AVRT 2014), Ahmedabad for their valuable contributions to the development of “Retina Vitreous Specialty” in India and projecting the capabilities in the international arena.

In its pursuit of excellence, Jagadguru Kanchi Sri Chandrasekarendra Nethra Nilayam, was awarded India’s most coveted “Accreditation for Hospitals and Health Care Providers” by National Board of Accreditation for Hospitals (NABH).

NABH recognition was renewed for Sankara Nethralaya for its outstanding compliance with the stringent national and international standards aimed towards patient safety and delivery of Quality Health Care.

Dr. V. Umashankar was selected as a Member, Board of Studies for Bioinformatics, University of Madras, 2014.

Sankara Nethralaya Referral Laboratory is the first private laboratory in Chennai to be recognized by Revised National Tuberculosis Control Programme (RNTCP) for performing TB culture and first line Drug susceptibility testing under Central TB Division, Government of India.

Dr L Vijaya was selected as the Associate Editor of the BMC Ophthalmology Journal.

Dr. Ronnie George was elected as the Member of Editorial Board, Asia Pacific Journal of Ophthalmology.

Dr. Abhilasha Maheshwari, won the “Divya Chaturvedi Gold Medal Award’ for the outstanding performance on the paper “Sub-speciality of uveitis and inflammatory diseases”, in the Diplomate National Board of Examination held in April 2014.

Dr. C. Subbulakshmi was awarded the Travel grant from the Association for Research in Vision and Ophthalmology for attending the ARVO Conference, USA held on 6th May 14.

Dr. Rajeswari Mahadevan received the International Association of Contact Lens Educators award of the year for the Asia pacific region at the 'British Contact Lens Association Clinical Conference & Exhibition at Birmingham, UK on 7th June 2014.

Ms. A V Saijyothi was awarded the Ph.D. degree at BITS, Pilani on 11th June 2014 for the thesis entitled, "Proteomic profiling of tear fluid for potential biomarker discovery in Dry Eye Syndrome”.

The Fellow of the Royal College of Surgeons (FRCS) conducted its FRCS-Ophthalmology examinations in the country after a gap of 10 years and chose Sankara Nethralaya, Chennai as its preferred centre for conducting its examinations in India.
Dr Pukhraj Rishi received the “Nataraj Pillai Best Free Paper Award 2014” in Sankara Nethralaya Alumni Silver Jubilee Meet held from 12th to 13th July 2014.

Dr T S Surendran received the prestigious “Dr S.S. Badrinath Medal of Honor” for the year 2015, in recognition of his outstanding contribution to the field of Ophthalmology at the Tamil Nadu Ophthalmic Association - TNOA Conference, held at Madurai on 24th July 2014.

Mr. N Murugan was awarded Travel fellowship for attending the IERG–ARVO Conference held at Hyderabad from 26th to 27th July 2014.

Ms. A R Rajalakshmi was awarded Travel fellowship for attending the IERG–ARVO Conference held at Hyderabad from 26th to 27th July 2014.

All India Management Association (AIMA), the apex body for Management Professionals, honoured Dr. S. S. Badrinath with the title ‘Outstanding Institution Builder’ in its highly prestigious ‘Managing India Awards’- 2014 on 6th August 2014 at New Delhi.

Dr. Bipasha Mukherjee received the Best Paper Award for “Efficacy of oral propranolol in periocular capillary hemangiomas of infancy” in the Tamil Nadu Ophthalmic Association Conference (TNOA) held at Coimbatore from 08th to 10th August 2014.

Dr Geetha Iyer was listed as a “Distinguished Surgeon” in the Boston K Pro Magazine in recognition of her stupendous efforts.

The Terry Fox Foundation of Canada conducts the ‘Terry Fox Run- A Marathon of Hope’ the world over to raise funds for cancer research and treatment. This august body chose Sankara Nethralaya as the beneficiary of its assistance for the year 2014.

Dr. Rathini Lillian David received the “Best Paper Award” for the paper entitled “Trans Laminar Cribrosa pressure difference and glaucoma in a population based study” at the 24th Annual Conference of the Glaucoma Society of India held at Bhubaneswar from 12th to 14th September 2014.

Dr S Sudharshan received the “Eye Health Leader Award 2014” for the recently developed Mobile Eye Surgical Unit (MESU) at the International Agency for the Prevention of Blindness (IAPB) Conference held at Paris between 19th and 23rd September 2014.

Ms. D. Sudha received the Swarnalatha Punshi Award for Best Research in Basic Science for the year 2014 at the 26th Graduation Ceremony of Sankara Nethralaya held at Sri. V.D. Swami Auditorium on 3rd October 2014.

Dr. M Sowmiya received the Prof. S. Krishnamoorthy Rao Gold Medal for the year 2014, for the Outstanding Ph.D Student Award at the 26th Graduation Ceremony of Sankara Nethralaya held at Sri. V.D. Swami Auditorium on 3rd October 2014.
Ms. M. K. Janani received the Young Woman Scientist Award in memory of Smt. Sreerangamma N. Narayan and Smt. Radhamani N. Anantha for the year 2014 at the 26th Graduation Ceremony of Sankara Nethralaya held at Sri. V.D. Swami Auditorium on 3rd October 2014.

Dr. K. Lily Therese received a medal for the Best Published Paper in Bacteriology entitled “Diagnostic appraisal of simultaneous application of two nested PCRs targeting MPB64 gene and IS6110 region for rapid detection of M. tuberculosis genome in culture proven clinical specimens” in the Indian Journal of Medical Microbiology for the year 2013, presented at the IAMM National Conference conducted at Jaipur from 17th to 19th October 2014.

The highly prestigious “The Week-Nielsen” survey declared Sankara Nethralaya as the “Best Hospital in Ophthalmology” once again. The survey was conducted on stringent quality measures by experts, covering 15 cities from September to October 2014.

Dr. S. Krishnakumar received the “10 years of Academic Partnership” Award on behalf of Sankara Nethralaya, from its Collaborative research partner Deakin University, Australia, on 9th November 2014, at New Delhi.

Ms. Sarika Gopalakrishnan was honoured as a ‘Fellow of the American Academy of Optometry’ at the AAO Meeting 2014 held at Denver, USA from 12th to 15th November 2014. She received the prestigious award from Dr. Brett G. Bence, President, AAO.

Ms. Jameel Rizwana received The Vision Care Institute’s Student Travel Grant Award at the AAO Meeting 2014 held at Denver, USA from 12th to 15th November 2014.

Dr Rupak Roy received the “Best Poster Award” for “Retinal detachment (RD) in Morning Glory Syndrome (MGS): Providing proof of concept”, at the 45th Annual Conference of Ophthalmology Society of West Bengal held at Kolkata on 20th & 21st November 2014.

Dr. S. S. Badrinath was honored with the “Life Time Achievement Award” at the Conference of Vitreo Retina Society of India (VRSI) held between 5th and 7th December 2014 at Agra.

Dr. Parveen Sen received the Best Poster Award for “Treatment outcomes of reduced fluence photodynamic therapy with Intravitreal anti-vascular endothelial growth factor in Polypoidal choroidal vasculopa”, at the Conference of Vitreo Retina Society of India (VRSI) held from 5th to 7th December 2014 at Agra.

Dr. T. S. Surendran was honoured with the “Life Time Achievement Award” by the Strabismus & Pediatric Ophthalmic Society of India at the Annual Conference held on 14th December 2014 at Pushkar, Rajasthan.
Dr. S Meenakshi received Prof. AK Khurana Award for the Best Publication of 2014 for the paper entitled “Results of Bilateral Medial Rectus Recession for Comitant Esotropia in Patients with Developmental Delay” at the Annual Conference of Strabismus and Pediatric Ophthalmology Society of India, held at Pushkar, Rajasthan on 14th December 2014.

Dr L Vijaya received the LC Dutta Award 2015 for Best Publication in Ophthalmology at the All India Ophthalmic Society (AIOS) Conference at New Delhi held from 4th to 7th February 2015.

Dr. Rajiv Raman received the Silver Award for the Best Paper entitled “Foveal slope measurements in subjects with high risk of age related macular degeneration” at the 73rd Annual Conference of All India Ophthalmological Society (AIOS) held at New Delhi from 3rd to 8th February 2015.

Dr. Jyotirmay Biswas was awarded the “The best paper read at the UVEA session” for the paper entitled “Polymerase chain reaction of intraocular fluid for mycobacterium tuberculosis (MTB)” at the 73rd Annual Conference of All India Ophthalmological Society (AIOS) held at New Delhi from 3rd to 8th February 2015.

Dr S. Ambika was awarded the “D. Athawale Award” for the paper entitled “Diffusion weighted imaging - A predictor of visual outcome in acute optic neuritis” at the 73rd Annual Conference of All India Ophthalmological Society (AIOS) held at New Delhi from 3rd to 8th February 2015.

Dr. Nishat Bansal received the E.T Selvam Award for Best Poster presented on “Peripheral Polypoidal Choroidal Vasculopathy – A case series” at the 73rd Annual Conference of All India Ophthalmological Society (AIOS) held at New Delhi from 3rd to 8th February 2015.

Dr. S. Ambika received the Best Poster Award at the ICTRIMS-2015 Seminar held under the aegis of the Indian Academy of Neurology and the Madras Neuro Trust on the 14th and 15th of February 2015.

- Fabrication of MDm2 peptide conjugated Gold Nanoparticles for targeted therapy of Retinoblastoma [Dr. S. Krishna Kumar]

- A comprehensive analysis of microphthalmia and anaophthalmia candidate genes in Indian population [Dr. S. Sripriya]

- Molecular Genetic Profile of Congenital Stationary Night Blindness in India using arrayed primer extension technology (APEX) and direct sequencing to associate with disease phenotype [Dr. Praveen Sen]

- Fuch’s Endothelial Corneal Dystrophy (FCD) – Fine mapping and identifying candidate gene for the novel Loci 20p12.1- q13.2 in early onset family and study the association of TCF4 gene in sporadic late onset FCD cases in our population [Dr. N. Soumittra]

- Molecular diagnostics of LCA - A chip based re-sequencing approach [Dr. N Soumittra]

- To Bio-engineer Self-assembled Collagen Fibres for Corneal Tissue Engineering [Dr. S. Krishnakumar]
ONGOING PROJECTS

- Multicenter Phase II Study for International Intraocular Retinoblastoma Classification Groups B, C & D tumors Treated with Carboplatin - Etoposide, Vincristine, and Cyclosporine - Focal Therapy Multimodality Protocol [Dr Vikas Khetan]

- A Multi-center, Controlled, Safety and Efficacy Study of a Fluocinolone Acetonide Intravitreal (FAI) Insert in Subjects with Chronic Non-Infectious Uveitis Affecting the Posterior Segment of the Eye [Dr. J. Biswas]

- Study to observe the effectiveness and safety of Lucentis through individualized patient treatment and Associated outcomes [Dr. Tarun Sharma]

- A Prospective, open label study to evaluate the Intraocular Pressure lowering effect of 0.15% w/v Forskolin solution in patients with Ocular hypertension or mild open angle glaucoma [Dr. Ronnie Jacob George]

- A 12-month, Phase IIIb, randomized, visual acuity assessor-masked, multicenter study assessing the efficacy and safety of ranibizumab 0.5mg in treat and extend regimen compared to monthly regimen, in patients with neovascular age-related macular degeneration [Dr. Muna Bhende]

- A 12-month, Phase III, randomized, double-masked, multicenter, active-controlled study to evaluate the efficacy and safety of two individualized regimens of 0.5 mg ranibizumab vs. verteporfin PDT in patients with visual impairment due to choroidal neovascularization secondary to pathologic myopia (Brilliance) [Dr. Tarun Sharma]

- 2-Week dispensing cross-over evaluation of marketed silicone hydrogel contact lenses in an Indian population [Dr. M. Rajeswari]

- To train and develop infrastructure for Molecular Ophthalmic Pathology and Rapid Diagnosis of Ocular Infections in an Ophthalmic Institute in Assam [Dr. S. Krishnakumar]

- An in vitro study on the pathogenic role of Hepatitis C virus and its inflammatory response using human corneal and conjunctival cell line and a clinico molecular micro biological study on HCV associated with keratoconjunctivitis sicca and Sjogren’s syndrome. [Dr. J. Malathi]

- Application of next generation sequencing technique to determine the whole Genome sequence of laboratory isolates of Pseudomonas aeruginosa (both sensitive and resistant strains) and application of bioinformatics approach to identify the vulnerable area of drug targets in the genome [Dr. J. Malathi]

- Effect of riboflavin/UVA in treating patients with infectious keratitis : A pilot study on human subjects [Dr. Prema Padmanabhan]

- An in-vitro study to understand the effect of different concentrations of lignocaine on the fibroblasts growth. [Dr. H. N. Madhavan]
● Biomarker pattern discovery of graded changes in the opacity of human lens in age-onset cataract: a proteomic approach [Dr. Ananthkumar Badrinath]

● Investigating the therapeutic potential of Lysyl Oxidase propeptide in angiogenesis and tumorogenesis [Dr. K. Coral]

● Regulation of SNARE exocytotic machinery under physiological and pathological conditions of Diabetes [Dr. C. Subbulakshmi]

● Contact lens wear induced changes in Keratoconus patients at the level of redox status [Dr. N. Angayarkanni]

● Understanding the effect of Adiponectin mediated signaling pathways on retinal degeneration using human retinal explant culture for designing efficient neuroprotective agent [Dr. C. Subbulakshmi]

● Anti-angiogenic potential of the plant derived polyphenols, Elagic, Gallic, Chebulagic and Chebilinic acids: an invitro study in retinal endothelial cells [Dr. N. Angayarkanni]

● Development of Anti-Fibrotic agents for potential use in the Glaucoma filtration surgery to prevent scar formation in cultured Human scleral Chondrocytes and Tenons Fibroblast [Dr. K Coral]

● Development of therapeutic molecules for diabetic retinopathy from studies on structure/function relationship of PON2 by cloning [Dr. S.R. Bharathi Devi]

● CTR1 (copper transporter 1) as a therapeutic target for angiogenesis; understanding its cellular and molecular signaling in retinal angiogenesis [Dr. S.R. Bharathi Devi]

● Peripheral Blood Gene Expression Profiling In Eales Disease [Dr. K Coral]

● Regulation of Lysyl oxidase expression in lens epithelial cells and trabecular endothelium [Dr. N. Angayarkanni]

● Development of modulators of ornithine decarboxylase (ODC) for the therapeutic application in Retinoblastoma. [Dr.V Umashankar]

● Molecular modeling and Docking simulation studies of functional domains of Toxoplasma.gondii RON-4, RON-2, and RON5 to understand the Moving Junction complex formation towards design of novel Peptide and Chemical inhibitors and validation through pilot invitro studies [Dr.V Umashankar]

● Molecular Analysis of ocular developmental anomalies in Indian population. [Dr S. Sripriya]

● Mutation Characterization Of Genes Frequently Implicated In BBS Patients From India [Dr. S. Sripriya]

● Confirmation of novel and reported mutations identified in Leber Congenital Amaurosis (LCA) families and an autosomal recessive retinitis pigmentosa (arRP) family by control screening and also to identify the causative gene/mutation in an arRP family [Dr. N Soumittra]
VISION RESEARCH FOUNDATION

- Intervention of ciliopathy genes in the molecular pathology of BBS in Indian population [Dr. S. Sri Priya]
- Proteomics based Identification and Validation of urinary biomarkers for Age-related Macular Degeneration [Dr. J Biswas]
- MiRNA in Retinoblastoma progression, biomarkers and novel Aptamer-miRNA therapeutics [Dr. S. Krishnakumar]
- To investigate the role of tumor microenvironment in RB progression [Dr. S. Krishnakumar]
- Identification of potential molecular inhibitors of all catalytic domains of Fatty Acid Synthase (FASN) at the enzyme activity and gene expression level [Dr. P.R. Deepa]
- To investigate the cross-talk between oxidative stress and cellular methylation processes and dissect the functional role of epigenetically silenced gene in RB [Dr. J. Biswas]
- Proteomics and phosphoproteomics by Mass Spectrometry and Flow Cytometry in Retinoblastoma [Dr. Sailaja Elchuri]
- Locked nucleic acid modified aptamer-siRNA chimeric conjugates for improved chemosensitivity and eradication of cancer stem cells [Dr. S. Krishnakumar]
- To engineer a Aptamer - siRNA chimeric conjugates for targeting epithelial cancers [Dr. Sailaja Elchuri]
- Differentiation and Characterization of Dental Pulp Cells to Corneal Epithelial Cells [Dr. S. Krishnakumar]
- Use of Aptamer to increase the efficacy of HMGA2 targeted therapy in Retinoblastoma [Dr. S. Krishnakumar]
VISION RESEARCH FOUNDATION

PARTICIPATION IN THE CONFERENCE

- Dr. Biswas J, Dr. Vijaya L, Dr. Meeenakshi S, Dr Sudharshan S, Dr Mamta Agarwal, Dr Kavitha Kalaivani N and Dr Bipasha Mukherjee attended the World Ophthalmology Congress held at Tokyo from 2nd to 6th April 2014.

Dr Biswas J made presentations on "Fast Track Publishing", "Molecular diagnostic in ocular inflammatory diseases" and "Ocular Tuberculosis in AIDS". Dr. L. Vijaya made a video presentation on “Management of leaking blebs”.

Dr. S. Meeenakshi made oral presentations on “Pediatric eye care making a difference in affordable high quality health care”, “Program evaluation crucial for programmatic improvement in the IJCAHPA session on Allied Health personnel training using internet resources”. Dr Sudharshan S made presentations on “Ocular lesions in pediatric HIV patients in India” and “Cataract surgery in patients with HIV/AIDS”.

Dr Mamta Agarwal made a poster presentation “Ocular Tuberculosis – A diagnosis challenge” and gave a video presentation “Live intraocular dirofilaria causing multifocal choroiditis”. Dr Kavitha Kalaivani N made poster presentations on “Cataract surgery with primary intraocular lens implantation in children less than 2 years” & “Management of pediatric ocular tutor cranial nerve palsies” and gave a video presentation on “Surgical management of bilateral absent medial rectus muscle”.

Dr Bipasha Mukherjee made oral presentations on “IC: principles & practice of digital photography in ophthalmology” & “Caratico-cavernous fistula: clinical features and management outcome” and poster presentation on “Self expanding orbital implants in the reconstruction of Anophthalmic sockets”.

- Dr Sumita Agarkar and Dr Mamta Agarwal participated in the conference of the Delhi Ophthalmological Society at New Delhi, from 11th to 13th April 2014. They made presentations on “Exotropic Duane retraction syndrome” and “Clinical challenges in uveitis-infections/Immune related” respectively.

- Dr Pukhraj Rishi and Dr Geetha Iyer Krishnan attended conference of the Delhi Ophthalmological Society at New Delhi, from 11th to 13th April 2014. Dr Pukhraj Rishi gave a presentation on “Masquerade syndrome in ocular oncology” and Dr Geetha Iyer on “SJS Do’s & Don’ts”, “Innovations in corneal surgery”, and “Keratoprosthesis: Hope of the Hopeless”.

- Dr. H. N. Madhavan participated in the 5th Paramedical day celebrated at Mehta Hospital, Chennai, on 25th April 2014 and gave a guest lecture on “An overview on molecular diagnosis in infectious diseases”.

- Dr. C. Subbulakshmi attended the ARVO Conference on 6th May 14, at USA and she made an oral presentation on “Expression of Piwi/piRNA in human ocular tissues: Role in maintaining functional integrity of retinal pigment epithelial cells and implication in proliferative diabetic retinopathy”.
Dr B Shantha made presentations on “Medical management of glaucoma” & “POAG: Diagnostic dilemmas” and Dr Ronnie George on “Imaging in Glaucoma: A practical approach”, “Narrow angles: to treat or not to treat” and “Recent advances in the management (Update on glaucoma)” in the CME Meeting held at Mangalore on 11th May 2014.

Dr Sheila John attended the American Telemedicine Conference 2014, held at Baltimore, USA, from 17th to 20th May 2014 and made presentations on “Making the case for tele-health: engaging leadership around the strategic value of tele-health” and “Teleophthalmology design Success Factors: A Global Perspective”.

Dr Shantha B and Dr Ronnie George participated in the Symposium organized by Allergan Company at Chennai on 23rd May 2014. Dr Shantha made a presentation on “Medical management of glaucoma” and Dr Ronnie George gave a talk on “Case presentation”.

Dr Sudhir R R participated in the meeting of Quality Assurance in Eye Care Delivery– Vision 2020, at West Bengal, on 24th & 25th May 2014 and gave presentations on “Information system for effective management, monitoring & evaluation” and “Organization process for quality improvement”.

Dr Shantha B attended the European Glaucoma Society Meet at France, from 7th to 11th June 2014 and she made a poster presentation “Outcomes of late laser suturelisis following trabeculectomy with adjunctive anti-metabolites”.

Dr Bhaskar Srinivasan attended the meeting of Bombay Ophthalmic Association at Bombay, from 20th to 22nd June 2014 and made presentations on “Chemical injury – Adequate management”, “Ocular surface diseases – Potpourri of cases”, “SJS – comprehensive management” and “Keratoprosthesis: Different types, indications, results and complications”.

Dr Surendran T S and Dr Rajiv Raman participated in the 10th Annual Conference of “Vision 2020 : The Right to Sight – India” at Kerala on 5th & to 6th July 2014. Dr Surendran made oral presentations on “Overview of Pediatric Eye care in the country”, & “Squint Advance Techniques” and Dr Rajiv Raman made a presentation on “Screening of retinal problems in various levels of health care”.

Dr N. Angayarkanni gave an invited talk on “Role of Clinical Proteomics in Metabolic Disorders and or Toxicology” at the National Seminar on ‘Clinical Proteomics for Veterinary and Allied Sciences’ on 19th July 2014 at Rajiv Gandhi Institute of Veterinary Education and Research, Pondicherry.

Dr Rajiv Raman participated in the Retina Interest Group Meeting held at Chennai, on 21st July 2014 and gave an oral presentation on “Diabetic macular edema”.

Dr Rajiv Raman attended the National Task Force Meeting at All India Institute of Medical Science, New Delhi on 24th July-2014 and gave a talk on “Diabetic Retinopathy”.
Dr Nivetita Chatterjee, Dr. A J Pandian, Ms. Bhavana Rao, Mr. N Murugan and Ms. A R Rajalakshmy participated in the IERG ARVO Conference on 26th to 27th July 2014 held at Hyderabad.

Dr Nivetita Chatterjee made an oral presentation on “Endocannabinoids regulate innate immune response in Mueller glia during HIV1 Tat cytotoxicity”. Mr. Murugan made a poster presentation on “Novel Carbapenemase gene(s), Genomic Islands and Integrons among corneal button and Vitreous aspirate isolates of Pseudomonas aeruginosa deciphered by Next Generation Sequencing (NGS) leads a way to identify multifactorial causative genes for corneal virulence” and Ms. Rajalakshmy gave an oral presentation on “Direct association of dry eye and hepatitis C virus: HCV core and NS3 proteins mediate innate immune response”.

Dr. Pandian delivered an invited talk titled, “Genetic engineering and Molecular characterization of RS1 gene and its mutants implicated in X-Linked Retinoschisis (XLSR)” and Ms. Bhavna presented a poster titled, “Association of CTG Trinucleotide Repeat Expansions and SNPs in the Intron of TCF4 Gene with Sporadic Late Onset FECD – An Indian Cohort Study”.

Dr S. Sripriya attended the CME Programme titled “Impact of Genetics in Medicine” conducted by the Centre for Human Genetics, Tamilnadu Association – India chapter, at Chennai on 9th August, 2014.

Dr J. Biswas, Dr Surendran T S, Dr Sripriya Krishnamoorthy, Dr. Bipasha Mukherjee, Dr Sudha K Ganesh, Dr Manish Panday, Dr Chetan Rao, Dr Shantha B, Dr Bhaskar Srinivasan, Dr Sudhir R R, Dr Meena Lakshimpathy, Dr Kavitha Kalaivani N, Dr Sudharshan S, Dr Pukhraj Rishi and Dr Shikha Bassi attended the 62nd Annual Conference of Tamil Nadu Ophthalmic Association (TNOA), at Coimbatore, from 8th to 10th August 2014.

Dr Biswas made an oral presentation on “Tubercular uveitis an update” and a video presentation on “Who is in the vitreous cavity” and Dr Sripriya gave an oral presentation on “SWAP”. Dr Surendran made oral presentations on “Nystagmus capsule” and “Midas touch in strabismus surgery”. Dr. Bipasha Mukherjee made oral presentations on “Why I choose to be in oculoplasty” and “Iatrogenic orbital trauma in non-orbital surgeries”.

Dr Sudha K Ganesh and Dr Chetan Rao made oral presentations on “Viral Uveitis” and “Autofluorescence”. Dr Manish Panday made oral presentations on “IC: Automated Perimetry” and “Interpreting the single field printout”. Dr Shantha gave presentations on “IC: Pitfalls in automated perimetry wand”, “IC: Encapsulated bleb” and “IC: Shunts and Valves”.

Dr Bhaskar Srinivasan made oral presentations on “IC: Keratoconus paradigm – shift in management”, “Algorithmic approach to Management” and “Ocular surface disorders & The dilemma” and Dr Sudhir R R on “Collagen cross linkage and its variations - When, Why, How”, “Changing from paper records to electronic medical records - challenges and guidelines”, “Why to choose EMR and how to Implement” and “Advantages of EMR implementation”.

Dr J. Biswas, Dr Surendran T S, Dr Sripriya Krishnamoorthy, Dr. Bipasha Mukherjee, Dr Sudha K Ganesh, Dr Manish Panday, Dr Chetan Rao, Dr Shantha B, Dr Bhaskar Srinivasan, Dr Sudhir R R, Dr Meena Lakshimpathy, Dr Kavitha Kalaivani N, Dr Sudharshan S, Dr Pukhraj Rishi and Dr Shikha Bassi attended the 62nd Annual Conference of Tamil Nadu Ophthalmic Association (TNOA), at Coimbatore, from 8th to 10th August 2014.
Dr Meena Lakshmipathy made oral presentations on “Blunt injury post deep anterior lamellar keratoplasty: descemets resistance”; “Experience of temporary keratoprosthesis in therapeutic keratoplasty with vitreoretinal surgeries” and participated in the instruction course on DALK.

Dr Sudharshan made oral presentations on “IC: HIV and the eye”; “SOP’s of immature cataract” and “Top 10 mistakes in Uveitis”. Dr Pukhraj Rishi made oral presentations on “Macular Disorders” and “IC: Imaging in Ophthalmology: Ultrasound” and Dr Shikha Bassi made a presentation on “Facial dystonias”.

- Dr Rajiv Raman visited Sreedhareeyam Ayurvedic Eye Hospital & Research Centre Pvt Ltd at Koothattukulam, Kerala on 09th to 10th August 2014. He gave a presentation on “Ayurveda and eye diseases”.

- Dr Parveen Sen, Dr Pramod Bhende, Dr Aditya Verma and Dr Rupak Roy participated in the conference of American Society of Retina Specialists at San Diego, California from 9th to 13th August 2014.

Dr Parveen Sen made a poster presentation “Combined Argon Laser Photocoagulation & Antivascular Endothelial Growth Factor for Management of Macular Polypoidal Choroidal Vasculopathy”. Dr Pramod Bhende made presentations on “Vitrectomy for myopic tractional maculopathy. Intraoperative findings & short term outcome” & “Management of post trauma endophthalmitis” and a case presentation on “Suprachoroidal silicone oil injection – How to manage”.

Dr Aditya Verma made poster presentations on “Partial reversal of color vision impairment with oxygen therapy in type II diabetes mellitus associated with obstructive sleep apnea” & “Multimodal retinal imaging in electrocution injury” and Dr Rupak Roy on “Endophthalmitis: Microbiological trends and drug sensitivity patterns”.

- Dr. Rajiv Raman attended the meeting of Retina Update, at Chitrakoot, on 30th to 31st August 2014. He made presentations on “Scissor-less Diabetic Vitrectomy” and “RAP and PCV, How to diagnose and treat”.

- Dr Muna Bhende, Dr Pradeep S, Dr Sudipta Das, Dr Suganeswari and Dr Suchetana Mukherjee, attended the EURETINA Conference 2014, at London from 11th to 17th September 2014.

Dr Sudipta Das made poster presentations on “Clinical profile of posterior scleritis in a tertiary eye centre in Southern India”, “Clinical profile & outcome of patients with complicated uveitis undergoing pars plana vitrectomy” & “Microbiological trends & drug sensitivity patterns in endophthalmitis in Eastern India” and gave a video presentation on “23g vitrectomy & removal of bow shaped copper foreign body from the eye using bimanual techniques”.

- Dr Muna Bhende, Dr Pradeep S, Dr Sudipta Das, Dr Suganeswari and Dr Suchetana Mukherjee, attended the EURETINA Conference 2014, at London from 11th to 17th September 2014.
Dr. Muna Bhende made an oral presentation on “Effect of ocular magnification on measurements made with OCT” and poster presentation “Subretinal abscess due to resemonas mucosa in endogenous endophthalmitis”; Dr Pradeep gave an oral presentation on “Vitreoretinal Perspective of Scleral Fixed IOLs a Case Series” and poster presentation on “Surgical Management of culture proven Non-Keratitic Nocordia Infection”.

Dr Suganeswari made an oral presentation on “Endophthalmitis in Full Term Neonates presenting as the Diagnostic Feature of Septicemia” and a poster presentation “Intraocular infection masquerading as Retinoblastoma clinically and in Magnetic Resonance imaging - Diagnostic challenge”. Dr Suchetana Mukherjee made a poster presentation on “Spectral domain optical coherence tomography (SD-OCT) predictors of visual outcome in patients with macular oedema (MO) due to branch retinal vein occlusion (BRVO) treated with intravitreal ranibizumab injections”.

Dr Rama Rajagopal, Dr Radhika N and Dr. Mona Bhargava, attended the Eucornea Conference at London, from 11th to 17th September 2014. Dr Mona Bhargava made an oral presentation on “Application of Scheimpflug imaging system to facilitate RGP fitting in patients with corneal scar” and made posters on “To report a case with corneal tear and giant retinal tear following obstetrics delivery”; “Progression on conjunctival papilloma to carcinoma in 10 years follow up”; “Managing a case of scleral staphyloma with rhinosporidiosis using sclera patch graft with modified box sutures” & “To report successful management of extensive recurrent conjunctival papilloma”.

Dr Rama Rajagopal made oral presentations on “Lamellar Vs Penetrating keratoplasty in stromal dystrophies. (Comparison)” and “Mucoepidermoid variant of Squamous cell carcinoma, Dr Radhika made a poster presentation “Results of using Corneal cross linking for bullous keratopathy (category: cornea – surgical)”, and gave an oral presentation on “Results of epi-lasik (flap on & off) for treatment of low + moderate myopia (category: keratorefractive)”.

Dr Sudha K Ganesh and Dr Parthopratim Dutta Majumder attended the Annual Meeting of Uveitis Society of India, from 21th to 24th September 2014 at New Delhi. Dr Sudha K Ganesh made an oral presentation on “Tips on cataract surgery in uveitis”, “Pediatric uveitis – Indian perspective”, Dr Parthopratim Dutta M made an oral presentation on “Posterior scleritis”, “Classification of uveitis”.

Dr Pramod S Bhende, Dr Biswas J and Dr Muna Bhende participated in the International Symposium on Ophthalmology at Hong Kong from 26th to 28th September 2014. Dr Pramod Bhende made oral presentations on “Management of retinal detachment in diabetic retinopathy” & “Management of paediatric RD”. Dr Biswas made presentations on “Eye as a Mirror of Tropical Diseases”, “Masquerade syndrome” & “Clinicopathological, microbiological and molecular biological correlation in Tubercular Uveitis.” Dr. Muna Bhende made oral presentations on “Peripheral PCV – often missed or misdiagnosed” & “RD due to GRT in pediatric age group – surgical results” and she was the Chairperson for the session on “Updates on AMD and PCV”.

Dr. Muna Bhende made an oral presentation on “Effect of ocular magnification on measurements made with OCT” and poster presentation “Subretinal abscess due to resemonas mucosa in endogenous endophthalmitis”; Dr Pradeep gave an oral presentation on “Vitreoretinal Perspective of Scleral Fixed IOLs a Case Series” and poster presentation on “Surgical Management of culture proven Non-Keratitic Nocordia Infection”.

Dr Suganeswari made an oral presentation on “Endophthalmitis in Full Term Neonates presenting as the Diagnostic Feature of Septicemia” and a poster presentation “Intraocular infection masquerading as Retinoblastoma clinically and in Magnetic Resonance imaging - Diagnostic challenge”. Dr Suchetana Mukherjee made a poster presentation on “Spectral domain optical coherence tomography (SD-OCT) predictors of visual outcome in patients with macular oedema (MO) due to branch retinal vein occlusion (BRVO) treated with intravitreal ranibizumab injections”.

Dr Rama Rajagopal, Dr Radhika N and Dr. Mona Bhargava, attended the Eucornea Conference at London, from 11th to 17th September 2014. Dr Mona Bhargava made an oral presentation on “Application of Scheimpflug imaging system to facilitate RGP fitting in patients with corneal scar” and made posters on “To report a case with corneal tear and giant retinal tear following obstetrics delivery”; “Progression on conjunctival papilloma to carcinoma in 10 years follow up”; “Managing a case of scleral staphyloma with rhinosporidiosis using sclera patch graft with modified box sutures” & “To report successful management of extensive recurrent conjunctival papilloma”.

Dr Rama Rajagopal made oral presentations on “Lamellar Vs Penetrating keratoplasty in stromal dystrophies. (Comparison)” and “Mucoepidermoid variant of Squamous cell carcinoma, Dr Radhika made a poster presentation “Results of using Corneal cross linking for bullous keratopathy (category: cornea – surgical)”, and gave an oral presentation on “Results of epi-lasik (flap on & off) for treatment of low + moderate myopia (category: keratorefractive)”.

Dr Sudha K Ganesh and Dr Parthopratim Dutta Majumder attended the Annual Meeting of Uveitis Society of India, from 21th to 24th September 2014 at New Delhi. Dr Sudha K Ganesh made an oral presentation on “Tips on cataract surgery in uveitis”, “Pediatric uveitis – Indian perspective”, Dr Parthopratim Dutta M made an oral presentation on “Posterior scleritis”, “Classification of uveitis”.

Dr Pramod S Bhende, Dr Biswas J and Dr Muna Bhende participated in the International Symposium on Ophthalmology at Hong Kong from 26th to 28th September 2014. Dr Pramod Bhende made oral presentations on “Management of retinal detachment in diabetic retinopathy” & “Management of paediatric RD”. Dr Biswas made presentations on “Eye as a Mirror of Tropical Diseases”, “Masquerade syndrome” & “Clinicopathological, microbiological and molecular biological correlation in Tubercular Uveitis.” Dr. Muna Bhende made oral presentations on “Peripheral PCV – often missed or misdiagnosed” & “RD due to GRT in pediatric age group – surgical results” and she was the Chairperson for the session on “Updates on AMD and PCV”.

Dr. Muna Bhende made an oral presentation on “Effect of ocular magnification on measurements made with OCT” and poster presentation “Subretinal abscess due to resemonas mucosa in endogenous endophthalmitis”; Dr Pradeep gave an oral presentation on “Vitreoretinal Perspective of Scleral Fixed IOLs a Case Series” and poster presentation on “Surgical Management of culture proven Non-Keratitic Nocordia Infection”.

Dr Suganeswari made an oral presentation on “Endophthalmitis in Full Term Neonates presenting as the Diagnostic Feature of Septicemia” and a poster presentation “Intraocular infection masquerading as Retinoblastoma clinically and in Magnetic Resonance imaging - Diagnostic challenge”. Dr Suchetana Mukherjee made a poster presentation on “Spectral domain optical coherence tomography (SD-OCT) predictors of visual outcome in patients with macular oedema (MO) due to branch retinal vein occlusion (BRVO) treated with intravitreal ranibizumab injections”.

Dr Rama Rajagopal, Dr Radhika N and Dr. Mona Bhargava, attended the Eucornea Conference at London, from 11th to 17th September 2014. Dr Mona Bhargava made an oral presentation on “Application of Scheimpflug imaging system to facilitate RGP fitting in patients with corneal scar” and made posters on “To report a case with corneal tear and giant retinal tear following obstetrics delivery”; “Progression on conjunctival papilloma to carcinoma in 10 years follow up”; “Managing a case of scleral staphyloma with rhinosporidiosis using sclera patch graft with modified box sutures” & “To report successful management of extensive recurrent conjunctival papilloma”.

Dr Rama Rajagopal made oral presentations on “Lamellar Vs Penetrating keratoplasty in stromal dystrophies. (Comparison)” and “Mucoepidermoid variant of Squamous cell carcinoma, Dr Radhika made a poster presentation “Results of using Corneal cross linking for bullous keratopathy (category: cornea – surgical)”, and gave an oral presentation on “Results of epi-lasik (flap on & off) for treatment of low + moderate myopia (category: keratorefractive)”.

Dr Sudha K Ganesh and Dr Parthopratim Dutta Majumder attended the Annual Meeting of Uveitis Society of India, from 21th to 24th September 2014 at New Delhi. Dr Sudha K Ganesh made an oral presentation on “Tips on cataract surgery in uveitis”, “Pediatric uveitis – Indian perspective”, Dr Parthopratim Dutta M made an oral presentation on “Posterior scleritis”, “Classification of uveitis”.

Dr Pramod S Bhende, Dr Biswas J and Dr Muna Bhende participated in the International Symposium on Ophthalmology at Hong Kong from 26th to 28th September 2014. Dr Pramod Bhende made oral presentations on “Management of retinal detachment in diabetic retinopathy” & “Management of paediatric RD”. Dr Biswas made presentations on “Eye as a Mirror of Tropical Diseases”, “Masquerade syndrome” & “Clinicopathological, microbiological and molecular biological correlation in Tubercular Uveitis.” Dr. Muna Bhende made oral presentations on “Peripheral PCV – often missed or misdiagnosed” & “RD due to GRT in pediatric age group – surgical results” and she was the Chairperson for the session on “Updates on AMD and PCV”.
Dr Ronnie George, Dr Shantha B attended the conference of the Glaucoma Society of India at Odisha between 12th and 14th September 2014. Dr Ronnie George made oral presentations on “Glaucoma clinical trials: has it changed our practice” and “Trabecular meshwork changes in POAG & PACG” and Dr Shantha B on “Can we assess the risk of visual loss after glaucoma surgery in advanced diseases” and “Glaucoma related to Sturge Weber Syndrome”.

Dr Nirmala Subramanian participated in the Annual conference of Oculoplastic Association of India from 26th to 28th September 2014 and she made an oral presentation on “Eyelid reconstruction”.

Dr Geetha Iyer attended the conference of European Association for Vision and Eye Research at France from 1st to 4th October 2014 and she made an oral presentation on “Indian Results of MOOKP”.

Dr. H.N. Madhavan delivered an invited talk on “Molecular Biological methods to identify the cause of neonatal sepsis” at the CME Programme conducted by Amma Infertility Centre on 5th October 2014 at ITC Grand Chola, Chennai.

Dr Manish Panda participated in the meeting of Uttarakhnad State Ophthalmic Society at Mussoorie from 3rd to 5th October 2014 and made oral presentations on “Target IOP” & “Guidelines to medial management of glaucoma”.

Ms. Ferdina Marie Sharmila, attended a workshop on “Use of SPSS tool for data analysis” hosted by National Institute of Epidemiology (NIE), ICMR Institute, Chennai, from 8th to 10th October 2014.

Dr. H.N. Madhavan attended the Symposium of NCRM NICHE 2014, held at Chennai, on 11th October 2014 and gave a guest lecture on “Mebiol Gel, a thermoreversible polymer as a scaffold for three dimensional culture of Huh7 cell line with improved hepatocyte differentiation marker expression and HCV replication”.

Dr Sumita Agarkar attended the conference of Maharashtra Ophthalmic Society at Solapur on 10th & 11th October 2014 and made oral presentations on “Procedure on superior oblique muscle” and “Duane’s retraction syndrome”.

Dr R R Sudhir attended the INAE – NATF Technology & Healthcare Workshop at France on 15th & 16th October 2014 and made an oral presentation on “Enhancing Eye Care Services through Innovation technology and collaboration in India”.

Ms. Vimalin Jeyalatha made an oral presentation on “Response of Retinal Pigment Epithelial Cells towards Leptospiral Recurrent Uveitis Antigens”. 
Ms. Janani and Ms. Rajalakshmy made poster presentations on “Identification of novel immune regulatory pathway associated with Epstein Barr Virus (EBV) and the recombinant EBV protein mediated inflammation in Adult retinal pigment epithelium (ARPE-19) and “HCV replication in Astrocytes” respectively.

Dr Prema Padmanabhan, Dr Rajesh PS, Dr Tarun Sharma, Dr Meena Lakshmipathy & Dr Suchitra Pradeep attended the conference of American Academy of Ophthalmology at Chicago from 18th to 21st October 2014.

Dr Prema Padmanabhan made an oral presentation on “1st Global consensus on treatment of Keratoconus and ecstatic diseases”. Dr Rajesh and Dr Tarun Sharma made poster presentations on “Mobile operation theatre on wheels in India: a novel approach to reach the unreachable” and “Four years incidence and progression of Diabetic Retinopathy of India” respectively. Dr Meena Lakshmipathy made a poster presentation “Pediatric therapeutic penetrating keratoplasty: challenges & outcomes in a tertiary care centre” and. Dr Suchitra Pradeep on “Utility of high resolution ultrasound biomicroscopy in the diagnosis & treatment of HLA B27 associated complicated cataracts”.

Dr Sudharshan S attended the Annual Meeting of Karnataka Ophthalmic Society at Mysore from 7th to 9th November 2014 and he made oral presentations on “Tips in surgical management of Uveitis” & “Surgery – free patient”.

Dr Sudharshan S attended the Asia-Pacific Association of Cataract & Refractive Surgeons (APACRS) Annual Meeting at Jaipur between 13th and 16th November 2014 and made an oral presentation on “Cataract surgery in HIV patients”.

Dr Parthapratim Dutta M participated in the Ophthalmological Society Meet at West Bengal on 20th & 21st November 2014 and he made oral presentations on “Posterior scleritis” & “Posterior uveitis”.

Dr. Sudha K Genesh attended the United Service Institution of India (USI) Meet at Delhi from 21st to 24th November 2014 and she made oral presentations on “Tips on cataract surgery in Uveitis” and ”Paediatric Uveitis- Indian perspective”.

Dr Muna Bhende participated in the Baroda Ophthalmic Society CME at Baroda on 23rd November 2014 and made oral presentations on “Current management of retinal vein occlusion”, ”Choice of anti-VEGF/Steriods for retinal diseases” and “Clinical pearls in diagnosis of macular disease”.

Mr. Arun John & Mr. Muthukumaran participated in the International Conference on Crystal Growth and Biomolecular Crystallography (ICCGBC-2014), held at SASTRA University from 28th to 29th November 2014. Mr. Arun John made an oral presentation on “Structure-function relationship studies on human fatty acid synthase thioesterase domain and its inhibitors: an in silico approach” and Mr. Muthukumaran made a poster presentation on “Ornithine Decarboxylase drug development”.

Dr. S Krishanakumar, Dr. J. Narayanan, Mr. Prasanna Kumar, Ms. Jayashree B attended 7th Bangalore India Nano Conference at Bangalore from 4th to 6th December 2014.
Dr. Narayanan and Mr. Prasanna Kumar made a poster presentation “Aptamer toxin conjugates for targeting EpCAM positive cancer cells; Ms. Jayashree B on “Targeted therapy in epithelial adhesive molecule by aptamer chimeras”.

- Dr Pukhraj Rishi, Dr Ekta Rishi, Dr Jaydeeb Avinas Walinjkar and Dr Sudipta Das participated in the conference of Vitreo Retina Society of India held at Agra from 5th to 7th December 2014. Dr Pukhraj Rishi made oral presentations on “Analysis of potential ischemic effect of intravitreal Bevacizumab (IVB) on normal retina in subjects with branch retinal vein occlusion (BRVO)”; “Intra-arterial chemotherapy for intraocular retinoblastoma: First Indian report” and “Partial lamellar sclerouvectomy for peripheral uveal”. Dr Ekta Rishi made oral presentations on “Primary bevacizumab nonresponse in refractory diabetic macular edema” and “Endophthalmitis after keratoprosthesis: incidence, risk factors, causative organisms and outcomes”.

Dr Jaydeeb Avinas Walinjkar made an oral presentation on “Correlation of fundus autofluorescence (FAF) patterns and Multifocal electroretinography (MFERG) in dry age-related macular degeneration (AMD)” and Dr Sudipta Das made a poster presentation on “Clinical profile of posterior scleritis in a tertiary eye centre in Southern India”.

- Dr Sudhir R R, Dr Shweta Agarwal, Dr Geetha Iyer K attended the 4th Biennial Scientific Meeting of Asia Cornea Society, at Taiwan from 11th to 12th December 2014. Dr Sudhir made a poster presentation “Fishmouth compression suture in the management of corneal burn due to phacoemulsification”, Dr Shweta Agarwal made an oral presentation on “Outcomes of COMET in surface reconstructive procedures” and a poster presentation “SLET in the management of acute chemical injury” and Dr Geetha Iyer made oral presentations on “Keratoprosthesis – Challenges and modifications” and “A case of Stevens Johnsons Syndrom”.

- Dr. Nivedita Chatterjee, Mr. R. Saravanan and Mr. R. Bhuvanasundar attended the Society of Biological Chemists Meeting at Bhubaneswar from 18th to 21st December 2014. Dr. Nivedita made an oral presentation on “HIV 1 clade specific regulation of the innate immune response in Müller glia”. Mr. Saravanan and Mr. Bhuvanasundar made poster presentations on “Identification of serum Galectin-1 bound haptoglobin glycoforms and their differential expression in patients with the inflammation mediated ocular angiogenesis” and “Eales disease Characterization of human Lysyl Oxidase (LOX) and development of novel peptides to inhibit its activity” respectively.

- Dr. Geetha Iyer, Dr. N. Radhika, Dr. Bhaskar Srinivasan, Dr. Rama Rajagopal, Dr. Niveditha Narayanan and Dr. Shweta Agarwal attended the Keracon 2014 - the Society’s Second National Meet at Chennai from 19th to 21st December 2014. Dr. Geetha Iyer, Dr. Radhika and Dr. Bhaskar Srinivasan made presentations on “Tumors of the ocular surface”, “Combined procedures” and “Glaucoma in kpro” respectively.

Dr. Rama Rajagopal made an oral presentation on “Scleral involvement in OSSN”; Dr. Niveditha Narayanan on “Panelist - Corneal Infections Session: Bacterial” and Dr. Shweta Agarwal on “LID margin keratinisation in SJS”.

Dr. Nivedita Chatterjee, Mr. R. Saravanan and Mr. R. Bhuvanasundar attended the Society of Biological Chemists Meeting at Bhubaneswar from 18th to 21st December 2014. Dr. Nivedita made an oral presentation on “HIV 1 clade specific regulation of the innate immune response in Müller glia”. Mr. Saravanan and Mr. Bhuvanasundar made poster presentations on “Identification of serum Galectin-1 bound haptoglobin glycoforms and their differential expression in patients with the inflammation mediated ocular angiogenesis” and “Eales disease Characterization of human Lysyl Oxidase (LOX) and development of novel peptides to inhibit its activity” respectively.

Dr. Geetha Iyer, Dr. N. Radhika, Dr. Bhaskar Srinivasan, Dr. Rama Rajagopal, Dr. Niveditha Narayanan and Dr. Shweta Agarwal attended the Keracon 2014 - the Society’s Second National Meet at Chennai from 19th to 21st December 2014. Dr. Geetha Iyer, Dr. Radhika and Dr. Bhaskar Srinivasan made presentations on “Tumors of the ocular surface”, “Combined procedures” and “Glaucoma in kpro” respectively.
Dr Jaichandran V V, Dr Jagdeesh V and Dr Manonmani B attended the 62nd Annual National Conference of Indian Society of Anesthesiologist & Workshop in Regional Anesthesia, from 25th to 29th December 2014 at Madurai. They made oral presentations on “Pre-operative orbit-globe evaluation by anesthesiologist for regional block”, “Monitored anaesthesia care for diabetics and hypertensive patients” and “Prevention of nausea and vomiting (PONV) following squint surgery” respectively.

Dr S Krishnakumar participated in the IIT Nano Meet, at Mumbai on 17th January 2015 and he made oral presentation on “Aptamers & their application in cancer”.

Dr Prema Padmanabhan participated in the Dr. Noel Moniz Memorial Lecture at Cochin Ophthalmic Club, on 18th January 2015 at Cochin and she made an oral presentation on “Keratoconus – the familiar stranger”.

The Genetics department celebrated its 21st year of service by conducting the 2nd SN Genetics Convention 2014, “A symposium on “Sanger to Next Generation Sequencing – The Genomics Era”, on 30th & 31st January 2015. Sponsorship from Indian Council for Medical Research (ICMR), Department of Science and Technology (DST) and the Department of Biotechnology (DBT) was received Prof. T. Ramasami, Former Secretary, Department of Science and Technology, New Delhi, gave a motivating address to the gathering. After the plenary lecture by Prof. Samir Brahmachari on “NGS for India: New Genome Science”, many eminent scientists presented their novel findings and their views on whole genome sequencing in eye disorders, cardiomyopathy, cancer and rare diseases. The list includes Prof. H N Madhavan, Dr. Subhabrata Chakrabati, Dr. Satish Kumar, Dr. Sridhar Sivasubby, Dr. Ramesh Hariharan, Dr. Vinod Scaria, Dr. Karthik Raman, Prof. K Dharmalingam, Dr. Sinnakaruppan Madhavan, Dr. Dwaipayan Bharadwaj, Prof. Suman Kapur, Dr. P Sundaresan, Dr. Bibhas Kar, Dr. Himanshu Sinha, Dr. Nageswara Rao Dunna, Dr. C Shanmugapriya, Prof. M Parani and Dr. Thiagarajan Raman.

Dr. K. Lily Therese participated in the National Seminar on “Emerging Infectious Diseases: Understanding the Challenges” held on 4th February 2015 at University of Madras and delivered a guest lecture on “Pythium insidiosum-The emerging fungal pathogen with special reference to corneal ulcers”.

Dr. Rajesh P S, Dr Manish Panday, Dr Mona Khurana, Dr Sudharshan S, Dr Muna Bhende, Dr Ambika S, Dr Meenakshi S, Dr Suganeswari G, Dr Geetha Iyer, Dr. Pramod S Bhende, Dr Vikas Khetan, Dr Mohammad Arif Mulla, Dr Mona Bhargava, Dr Trupti Patil, Dr Kavitha Kalaivani and Dr Pradeep S participated in the AIOS Conference from 4th to 7th February 2015 at New Delhi.

Dr Rajesh made a poster presentation “Eye care on wheels-Innovative pilot project to provide surgical eye care at patients’ doorstep”. Dr Manish Panday and Dr Mona Khurana gave oral presentations on “Demystifying dilemmas: assessing progression in perimetry” and “Introduction & principles assessing progression” respectively.

Dr Sudharshan, Dr Ambika and Dr Meenakshi made oral presentations on “DR cytokines & molecular diagnostics in Uveitis”; “Explaining unexplained vision loss” and “Evaluation of a patient with squint” respectively.
Dr Muna Bhende gave presentations on “Post intravitreal injection endophthalmitis”, “Case series of unusual situations” & “Re-bleed following VR surgery”. Dr Suganeswari made an oral presentation on “Masquerade syndrome” and a poster presentation “Giant RPE RIP in intraocular Lymphoma”. Dr Geetha Iyer made oral presentations on “Managing Corneal complications following VR Surgery”, “MOOKP – The SN Experience” and “IC- Surgical Skills Transfer– Kpro”.

Dr. Pramod Bhende gave oral presentations on:

- Screening methodologies in the Indian context
- PVD induction in different scenarios
- Management of PVR
- Videos on management of suprachoroidalsil. Oil, problems related to FGE
- Post-operative inflammation following VR surgery

On behalf of Dr. Lingam Gopal, Dr. Pramod Bhende made oral presentations on:

- Assessment and management of retinal detachment following VR surgery
- The most common predicament in surgical diabetic retinopathy: tractional retinal detachment? Myth
- Post- traumatic endophthalmitis
- Extrapolating current evidence into clinical practice

Dr Vikas Khetan gave an oral presentation on “Genetics of adult retina dystrophy”; Dr Mohammad Arif Mulla made poster presentations on “Retinal toxicity possibly associated with carbamazepine usage” and “An unusual case of central retinal artery occlusion – waxing and waning or visual acuity”. Dr Mona Bhargava made poster presentations on “The role of microbiological assays of donor samples in determining clinical outcome in keratoplasty” and “Comparison of anterior chamber depth using oculyserli & orbscan 2 systems”.

Dr Trupti Patil made an oral presentation on “What is trend and event based analysis”, and a poster presentation “Surgical outcomes of supervised combined cataract and glaucoma surgery done by postgraduates fellows”. Dr Kavitha Kalaivani made oral presentations on “Management of pediatric traumatic cataracts”and “IOL power calculation in pediatric cataract”. Dr Pradeep made an oral presentation on “Toxic anterior segment syndrome and sterile endophthalmitis”,

- Dr Prema Padmanabhan participated in the Asia-Australia Congress on Controversies in Ophthalmology from 5th to 8th February 2015 at Vietnam and she made an oral presentation on “Cross-linking”.

- Dr. S Krishnakumar and Dr. J Narayanan participated in the India-UK workshop on “Affordable Healthcare Medical Technologies” on 11th February 2015
Dr. K. Lily Therese, Dr. A. J. Pandian and Ms. Srilekha participated in the National Seminar on “An insight into our sight: Radiant Spectrum of molecular methods and diseases in ophthalmology” at Chennai on 12th February 2015. Dr. Lily Therese gave a guest lecture on “Molecular techniques for rapid diagnosis of ocular infection”.

Dr Ronnie George participated in the Kerala Ophthalmic Society Meeting at Trivandrum on 08th March 2015, and he gave a presentation on “Intraocular pressure in Glaucoma”

Dr S. Ambika participated in the Shine 2015 – Neurology Conference at Chennai on 8th March 2015 and she made an oral presentation on “Neuro-ophthalmology – Role in current specimen demyelination”.

Dr Pukhraj Rishi attended the Current Trends & Controversies in Retina and Uvea Conference, at Chandigarh, from 13th to 15th March 2015 and gave an oral presentation on “Multimodal treatment of retinoblastoma”.

Dr Biswas J participated in the PGIMER meeting at Chandigarh, from 14th to 15th March 2015 and gave a talk on “Current understanding in the pathogenesis of Eales’ disease”.

Dr Ronnie George attended the Pediatric Glaucoma Conference at Aravind Eye Hospital, Madurai from 14th to 15th March 2015 and he made an oral presentation on “Ahmed glaucoma valve surgery”.
VISION RESEARCH FOUNDATION

DISTINGUISHED VISITORS

- Prof. Susana Marcos PhD, Professor of Research & Director from Visual Optics & Biophotonics Institute of Optics, CSIC Madrid, Spain, visited our Foundation on 12th April 2014 and delivered a lecture on "Imaging, Measuring and Restoring Crystalline Lens Accommodation".

- Dr. Deepak Edward from USA visited the Pathology lab on 12th April 2014.

- Prof. Tes Toop, Student Co-ordinator from Deakin University, visited Nano biotechnology lab on 16th April 2014 and interacted with the students.

- Dr. Anders Heijl M.D., PhD, Professor and Senior Consultant at the Dept of Ophthalmology, Malmo University Hospital, Lund University, Sweden visited Sankara Nethralaya and the research laboratories on 23rd May 2014 and gave a lecture on “Course on the Glaucoma Perimetry”.

- Dr. Anushuya Ganguly, Assistant Professor, Department of Biological Science from BITS, Goa, visited the research laboratories on 30th May 2014.

- Dr Bala Murali Vasudevan, Asst. Professor, Midwestern University, Arizona College of Optometry visited our foundation on 4th June 2014 and gave a talk on "Near induced transient myopia-Research updates”.

- Ms. Geetha Bali (W/o Mr. G. Madhavan Nair, Former Chairman, ISRO) visited the Microbiology lab on 13th June 2014.

- Dr. Mohan Rajan, Chairman & Managing Director, Rajan Eye Care Hospital, visited our foundation on 27th June 2014 and gave a talk on “Top Five Keys to Success”.

- Dr. Usha H. Viyus M.S. (Ophth.), Medical Superintendent & Professor of Ophthalmology, Sheth C.H. Nagri Municipal Eye Hospital, Ahmedabad, visited the research laboratories on 11th July 2014.

- Dr. S P Srinivasan, Associate Professor from Indiana University, USA, visited the research laboratories on 15th July 2014.

- Mr. H D Malesra, Director of Ratan Tata Foundation, Mumbai visited the research laboratories on 16th July 2014 and interacted with our scientists.

- Prof S V Eswaran, Emeritus Scientist-CSIR, from St Stephen’s College, University of Delhi visited the research laboratories on 21st July 2014 and gave a talk on “Interactions and Inspiration for Research”.

- Ms. Mandy Engelsm, Proof Reader from Hand Fast Point, Netherlands, visited our foundation on 31st July 2014 and gave a lecture on “Writing a research paper in English - a proof reader's perspective”.

- Dr. David Springer, Mr. Scott, Dr. Lee Moored from University of Alabama visited our foundation on 12th August 2014 and 12th February 2015.
Dr. T. Ramaswami from Department of Science and Technology (DST) visited the research laboratories on 19th August 2014 and interacted with the scientists.

Dr. Vijaya Kumar Aradhya, Consulting Physician from ‘Suvas’, Jalna visited the research laboratories on 26th August, 2014.

Dr. Suresh Viswanathan, State University of New York, Department of optometry from USA, visited the research laboratories on 3rd September 2014.

Dr. Tamara S. Oechslin from the Ohio State University, College of Optometry, Columbus, visited our foundation on 17th September 2014 and gave a talk on “Kids and Glasses”.

Mr Shukbir Singh Badal, Deputy Chief Minister (CM) of Punjab visited our foundation on 18th September 2014.

Dr. Lemij Hans, Glaucoma Specialist from Rotterdam Eye Hospital, Rotterdam, Netherlands, visited the Biochemistry lab on 22nd September 2014.

Dr. Proteeti Bhattacharjee, Liaison Officer, India Office of the Max Planck Society, German House for Research and Innovation (DWIH), at New Delhi visited our foundation on 23rd September 2014.

Dr. Agarwal, Ophthalmologist from Indore visited our foundation and interacted with the clinicians and scientists on 3rd October, 2014.

Ms. Kimberley, Associate Director and Program Manager from ORBIS International visited our foundation on 4th October 2014.

Dr. Shatina Pardhan from Anglia Ruskin University, United Kingdom (UK) visited Genetics lab on 31st October 2014.

Prof. Peter Hodgson & Prof. Trevor Day from Deakin University, Australia visited the Pathology lab and interacted with the PhD students and faculty on 6th November 2014.

Padma Shri Dr. V. Mohan, Eminent Diabetologist & Director from Dr. Mohan’s Diabetes Specialties Centre, Chennai visited our foundation on 13th November 2014 and gave a guest lecture on “How to control the menace of diabetes in India?”

Dr. V. Bhulakshmi from Gap Skills Company, Hyderabad visited the Genetics lab on 13th November 2014.

Dr. M. A. Vijayalakshmi, Director, Vellore Institute of Technology, Centre for Bio-Separation Technology, visited our foundation and interacted with the scientists and students of Biochemistry and Cell Biology laboratory on 28th November 2014 and gave a presentation on “Gene to Vial”.

Dr. Bala Ramachandran, Medical Director from Kanchi Kamakoti Child Trust Hospital visited our foundation and made a presentation on "Medical Errors - A reality in medicine" at the 19th Sri V. Venugopal Endowment Lecture on 29th November 2014.
Dr Yamuna, Vice Chancellor, HOD – Management Studies, Hindustan University, Dr Susan Marthandan, Director, Hindustan Arts & Science College and Dr. G. Srikanth, Director from National Institute of Management Studies visited the research laboratories on 5th December 2014.

Mr. T M Bhasin, Chairman & Managing Director, Indian Bank, visited the research laboratories on 5th December 2014.

Dr Srinivas R Sadda, MD from David Geffen School of Medicine, University of California, Los Angeles visited our foundation on 22nd December 2014 and gave a lecture on “Retinal Imaging & Diabetic Macular Edema”.

Prof. A V Ramanan, Consultant Pediatric Rheumatologist from Bristol Royal Hospital for Children & Royal National Hospital visited our foundation on 23rd December 2014 and gave a talk on “Immunomodulation of Pediatric Uveitis”.

Dr Sridevi Devaraj, Ph.D., DABCC Medical Director of Chemistry and POCT, Texas Children's Hospital, visited our research laboratories on 2nd January 2015 and gave a lecture on “Metabolic Syndrome: An update”.

Mr. John Miles from Guild Ford Rotary Eye Project, United Kingdom (UK) visited our foundation on 19th January 2015.

Dr. T. Velpandian, Additional Professor & In-Charge Dept of Ocular Pharmacology and Pharmacy in Dr. R P Centre, All India Institute of Medical Sciences (AIIMS), New Delhi, visited our foundation on 21st January 2015 and gave a lecture on “Drug Transport Across Ocular Barriers- Implications in Therapeutics”.

Prof. K. Dharmalingam, Director-Research, Aravind Medical Research Foundation, Madurai, Dr. Dwaipayan Bhardwaj, Director - Indian BIOCHILD, IGIB, New Delhi, Dr Sridhar Sivasubbu, IGIB, New Delhi, Dr. Vinod Scaria, IGIB, New Delhi, Dr Satish Kumar, CCMB, Hyderabad, Dr. Himanshu Sinha, Reader, Biological Sciences, Tata Institute of Fundamental Research, Mumbai visited our research laboratories and interacted with the scientists on 31st January 2015.

Ms. Ziaa Lalkaka from HDFC Bank, Mumbai visited the Microbiology lab on 09th February 2015.

Prof. Shilpa Buch from Dept of Pharmacology and Neuroscience, University of Nebraska Medical Centre, Omaha visited the research laboratories and gave a presentation on “Neuro AIDS-A Tango of HIV and the Host” on 13th February 2015

Dr. J. Radhakrishnan IAS, Secretary to the Government of Tamil Nadu, Dr Geethalakshmi S, Director of Medical Education, Health & Family Welfare Department, Government of Tamil Nadu and Dr. M Arulpitchai Narayanan, Chairman, Arma Medical Foundation, visited our foundation on 13th February 2015.

Prof. Gerald Schultz, Associate Clinical Professor, Loma Linda School of Medicine, California visited the Genetics lab and interacted with the students on 14th February 2015.

Dr. Ajay Khopade, Vice President, Dr Shravanti B, Associate Vice President-Clinical Research, Mr Narendra L, Associate Vice President – Business Development, Mr. Abhijeet H Joshi, Asst Manager – Clinical Research from Sun Pharma Advanced Research Company visited the research laboratories on 13th March 15.

Dr. Philip A.Thomas, Associate Director (Research), Professor & Head Department of Ocular Microbiology from Institute Of Ophthalmology, Joseph Eye Hospital Tiruchirapalli visited the Microbiology lab on 27th March 2015.

Dr Ajay, PhD from 3D Product Dev Pvt. Ltd, and Product Accelerator Pvt Ltd, visited the Pathology lab.
